The Teening Path Program Step into adolescence with your peers

Our group program offers support for their developmental stage, and strategies for dealing with increasingly complex social relationships. This transition is done together, with peer and family support. Parents get support in moving through this time with their children too!

Custom Coming of Age Ceremony

The Teening Path Program Step into adolescence with your peers

Our coming of age ceremonies are modern-day rites of passage that help an individual and their families prepare for and ease into the next phase in life.
